(NYSE: PUMP) (“ProPetro” or the “Company”) today announced the appointment of Kyle Crowley to its Board of Directors (the “Board”) as an independent director, effective October 16, 2026. Mr. Crowley brings more than 30 years of experience in the power and energy industry, including over two decades at Exelon Corporation (NASDAQ: EXC), where he led corporate development, corporate finance, and generation, renewables, and transmission development for one of the largest electric utility holding companies in the United States.

Phillip Gobe, Chairman of the Board of ProPetro, commented, “We are pleased to welcome Kyle to our Board. He is a seasoned public company executive and director whose judgment, governance experience, and deep roots in the power industry will strengthen an already strong Board. The demand for reliable, dispatchable power from data centers, industrial customers, and the energy value chain is unprecedented, and PROPWR is uniquely positioned to meet that demand with a modern, standardized fleet and a proven ability to execute at scale. I look forward to working with the Board and management team to help ProPetro capture this opportunity and create long-term value for shareholders.”
